

SHEEN

SILICONE TYRE GLOSS

MADE IN
AUSTRALIA

FEATURES & BENEFITS

Chemtech Sheen is a tyre gloss with high silicone content, which provides a long lasting finish and a great presentation.

Chemtech Sheen is a clear, concentrated blend of premium silicones and solvents designed to provide a superior shine to tyres, plastic bumpers, mud flaps, plastic grills, mirror backs, rubber and vinyl sun roofs.

Chemtech Sheen dries rapidly, reviving and bringing out the surface colour to an as new condition.

Chemtech Sheen does not wash off easily with water.

Chemtech Sheen protects the surface leaving premium high gloss sheen finish.
